Residential and day experiences in the stunning Kielder Water & Forest Park.

Our innovative programmes encourage children, young people and students of all abilities to learn more about themselves, build confidence and self-esteem through challenging and adventurous activities.

Learn More About Yourself and Others

Primary and Secondary Schools

Learning doesn't just happen in the classroom. With over 30 years of providing excellent, tailor-made, outdoor multi-activity experiences, we have developed a unique knowledge base, which enables us to offer safe, enjoyable and educational activities to children of all abilities from specialist and mainstream primary and secondary schools.

Whether it's a day activity or residential course, we aim to provide an enjoyable learning experience. With our skilled and professional instructors, each activity is guaranteed to be safe, educational and plenty of fun – allowing for shared experiences and cohesion to be taken back to the classroom.

Special Educational Needs

Our team is experienced in working with young people with physical, sensory and learning impairments, providing an inclusive, fun and exhilarating experience in a safe and supported environment.

Colleges and Universities

Our innovative programmes encourage your students to learn more about themselves, to develop essential leadership skills and to help prepare them for a fulfilling career after college or university.

The Calvert Kielder experience takes your students out of their comfort zone to help prepare them to confidently pursue a career in unfamiliar surroundings with unfamiliar people. Your students learn how to interact with people of all abilities, an important lesson in self-awareness and a necessary skill when building relationships in business.

Our Programmes

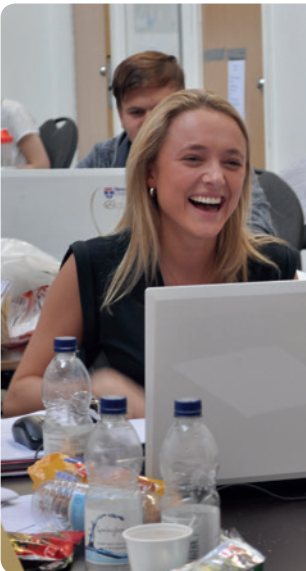

Action & Adventure

An action-packed programme of land and water based activities plus fully accessible and catered on-site accommodation. Our team will tailor an overnight or multi day programme of exhilarating, fun and challenging activities.

Space & Adventure

This innovative and exciting programme, combines challenging and adventurous outdoor activities with an educational dark skies experience. Packages include fully accessible and catered on-site accommodation and challenging activities at Calvert Kielder plus an opportunity to visit and work with the team of passionate astronomers at the Kielder Observatory.

Field Trips

Our centre is the perfect base from which to explore Kielder Water & Forest Park's unique manmade environment and Northumberland National Park, the most northerly, most remote from large urban areas, least visited and least populated of the 11 National Parks of England and Wales. The Northumberland International Dark Sky Park boasts the largest area of protected night sky in Europe. Students can learn about the park's wildlife corridors, astronomy, geography, geoscience and structural engineering.

We offer catered accommodation and break out meeting or classroom areas for students to record their findings and prepare their presentations.

Day Visits

Visit for the day and experience the Kielder ZipCoaster, Europe's 1st AvatarOne™, dare to fly on the King Swing or relish the confidence that comes from mastering the 15 metre High Ropes Course. Choose from our range of exhilarating activities and packages.

Enjoy a freshly prepared meal in our dining room or bring your own packed lunch.

Accommodation and Facilities

Our fully accessible accommodation is on-site and includes; bed linen, towels, use of the hydrotherapy pool, sensory room and access to free WiFi. Menu options are available; our chefs cater for all dietary requirements.

The indoor games room is perfect for team games, with lots of space for our giant versions of Scrabble, Connect Four and Jenga.

Well-equipped meeting or classroom areas are available to book on request.

How to Book

We are fully flexible and can arrange bespoke programmes to accommodate groups. Please discuss your needs with our team. We are available to visit schools, colleges and universities to discuss and present our programmes and facilities.

Explore and Learn in Kielder

Situated in the breathtaking Kielder Water & Forest Park, home to the largest man-made lake in Europe, we offer the perfect base for fun and adventure.

As one of the UK's most beautiful areas, this location offers 27 glorious miles of shoreline, a magical environment full of wildlife and flora, fresh, clean air and magnificent expansive horizons - plenty to fuel the imagination!

Local facilities and activities in the surrounding area include the multi-user Lakeside Way, Kielder mountain bike trails, forest walks, and historical sites in Northumberland, Cumbria and the Scottish Borders.

The park holds International Dark Sky status and is home to the award winning Kielder Observatory, where you can learn about the universe and experience the darkest skies in England.
